

## Week 4 Resources

- [Microsoft :Camara Traps Project: MegaDetector](#) : link to the oficial repository to learn and explore more about the MegaDetector.
- [Anecdotes from 11 Role Models in Machine Learning](#) : a blog post, in KD Nuggets, from Robert Munro.
- [Convolutional Deep Belief Networks for Scalable Unsupervised Learning of Hierarchical Representations](#)   
: a paper presenting the convolutional deep belief network.

Mark as completed
