

3 Courses

AI and Public Health

AI and Climate Change

AI and Disaster
Management

Sep 3, 2024

Chukwuemeka Ukaga

has successfully completed the online, non-credit Specialization

AI for Good

Congratulations on completing all three courses of the AI for Good Specialization! You studied the framework used to create and execute successful AI for Good projects, and used case studies in air pollution, climate change, and disaster response to understand how to carry out projects in this field on your own. We're thrilled that you chose to learn with us, and are excited to see your career in AI grow

Robert Monarch, PhD

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
